DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on 06/12/07 has been entered.

Response to Arguments

2. Applicant's arguments with respect to claims 1-52 have been considered but are moot in view of the new ground(s) of rejection. Applicant's amendment to previously allowed claims has resulted in the following rejection.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 7-11, 15-19 and 26-29 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 7 recites transforming the image data to a rectangular grid, claim 15 recites the image processing unit is configured to transform the image data to a rectangular grid, and claim 26 recites the means for generating is configured to transform the first high resolution image to a rectangular grid. In each of claims 7, 15 and 26, it is unclear from what configuration the

Art Unit: 2629

transformation to rectangular grid is supposed to take place since the corresponding independent claims 1, 13 and 25 as amended do not state the original shapes of the grids. Proper correction is needed.

Claims 8-11, 16-19 and 27-29 are rejected by the virtue of their dependencies on claims 7, 15 and 26 respectively.

Allowable Subject Matter

5. Claims 7-11, 15-19 and 26-29 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

6. Claims 1-6, 12-14, 20-25 and 30-52 are allowed.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Abbas I. Abdulsalam whose telephone number is 571-272-7685. The examiner can normally be reached on Monday through Friday from 9:00A.M. to 5:30 P.M.
